Privacy Policy for mytime website

This Policy sets forth specifics of the collection and processing by **TimeLaps Ltd** of data of individual users of www.mytc.io (**mytime website**).

This Policy describes how and what data about the users are collected by **TimeLaps Ltd**, how these data are subsequently processed and used. The Policy applies to **mytime website** and is posted and is constantly available at www.mytc.io.

When downloading, registering, accessing or otherwise using **mytime website**, you fully accept the terms of this Policy and express your clear voluntary consent to the processing of your data in the manner and for the purposes set forth in this Policy. If you do not agree with this Policy, please refrain from accessing to and using the **mytime website** or any other use of the **mytime website**.

TimeLaps Ltd may from time to time modify and/or supplement this Policy without prior written notice to users. The new versions of this document will be published at www.mytc.io. You need to familiarize yourself with this Policy every three calendar days to track the changes and/or amendments hereto. If you continue to use the **mytime website** after any changes have been made hereto, you confirm your agreement with the new version of the Policy.

Some technical terms used in this Policy are given without explanation. If you do not know a term (for example, "IP-address"), please read its description on public Internet resources. If the meaning of this term has not been clarified, please contact **TimeLaps Ltd** (**TimeLaps Ltd's** contact details are listed in Section 6 of the Policy), and we will do our best to help you.

1.1. Purposes of Processing Your Data

The data are provided by you in connection with the use of the **mytime website** and related products and services.

TimeLaps Ltd collects and processes your data in order to make the operation of the **mytime website** more convenient, faster and safer for you, as well as to keep you posted on the latest developments and functionality of **mytime website**. These data enable **TimeLaps Ltd** to maintain and develop the current functionalities of **mytime website**.

Therefore, your data are processed by both **TimeLaps Ltd** and its affiliates and partners.

Cases of data provision by you (without limitation):

- when creating your account in a **mytime website** and managing it;
- when using **mytime website** in any way, including, in particular, by subscribing to news;
- when accessing **mytime website** with identifiers used by you to get access to third-party resources (such as your login or ID used in social media) or when inviting other Users to use **mytime website**;
- when sending requests, letters or other types of communications with **TimeLaps Ltd**;
- when receiving requests from authorized agencies (in particular, state agencies responsible for information security, as well as interstate agencies), in cases established by the applicable law;
- when investigating into cases of fraud using payment cards and other methods of payment.

Your data are processed for the following purposes (without limitation):

- enabling the use of **mytime website**;
- interaction with other Users during the use of **mytime website**;
- interaction with other users to obtain comments on **mytime websites**, support for **mytime website**;

- sending notifications and other important messages regarding **mytime website** and its functionalities;
- analysis of **mytime website's** effectiveness;
- proving support for you;
- informing you about the current status of **mytime website**, events related to **mytime website**, their updates and other similar events (for example, informing you about the launch of new opportunities for **mytime website**), as well as about events related to other services of **TimeLaps Ltd**.

2. Data About You Collected and Processed by TimeLaps Ltd

2.1. The data collected and processed by TimeLaps Ltd/its affiliates and partners in connection with your use of mytime website may include (without limitation):

- your name, nickname in the **mytime website**;
- your mobile phone number and mobile network data;
- your email address;
- technical information about your device, operating system, applications and peripherals, which can be collected regularly for the purpose of providing updates to **mytime website** and other possible services in connection with **mytime website**.

You are hereby informed and understand that when you access **mytime website** using your social network account (if such a function is provided), data that is contained in your profile, including, but not limited to: name, photo or other image used as an avatar, ID number in this social network, e-mail address, language and other information which became available to **TimeLaps Ltd** and

may be processed by **TimeLaps Ltd**/its affiliates and partners in the manner established by this Policy. In addition, in this case, these data may be viewed by other users of **mytime website**.

Make sure you read all the agreements/policies of the social network used by you.

2.2. In order to provide quality services, TimeLaps Ltd collects and processes additional non-personal data:

- your unique identifier (created in **mytime** system, may be invisible to you);
- your IP address;
- your language and country of residence;
- version of the operating system of your mobile device;
- name of the country from which you access **mytime website**;
- statistics that can be obtained based on your use of **mytime website**;
- your messages in **mytime website** chat (if this function is available);
- data provided by you to obtain **TimeLaps Ltd**'s support for **mytime website**;
- technical information about your device, operating system, applications and peripherals, which can be collected regularly for the purpose of providing updates to **mytime website** and other possible services in connection with **mytime website**.

3. Use, Dissemination and Transfer of Your Data

TimeLaps Ltd may collect, record, organize, store, modify, combine, group, depersonalize, delete, modify and use your data with other information (including other data collected by the **TimeLaps Ltd**, as defined in Section 2

hereof) for the maintenance, management and development of the **mytime website** and related products and services.

TimeLaps Ltd has the right for purposes including ensuring the operation of **mytime website** and provision of related services to provide your data to its affiliates, partners (including mobile application developers).

For the purpose of providing related services for **mytime website**, **TimeLaps Ltd** has the right to provide your personal data to advertising services, to services that provide tools for the analysis of **mytime website**, as well as to services, which ensure necessary checks of your identity.

TimeLaps Ltd does not sell your data to third parties.

You hereby express your voluntary consent that your data can be provided to third parties in the following cases:

- in cases listed in Section 3 above;
- to comply with legal requirements, for example, investigation of fraud in payment transactions and any other illegal activities;
- where there are reasonable suspicions of a potential or existing violation of the rights of **TimeLaps Ltd**, its affiliates, the owners of **mytime website** and related products or other users, in order to protect the rights of the affected party;
- in cases of violation of intellectual property rights.

4. Data Storage

The data storage period is the period during which **mytime website** exists, unless otherwise provided by applicable law (for example, for the purpose of accounting or compliance with tax laws).

5. Other Obligations of the Parties

You are responsible for the completeness and reliability of the data you provide. In case of any inconsistencies and/or incorrectness in the data provided by you, they must be amended, including by contacting **TimeLaps Ltd's** specialists, as specified in Section 6 Contacts.

When you delete and/or amend your data, **TimeLaps Ltd** reserves the right to store the data necessary to comply with applicable laws, ensuring the safety and effectiveness of **mytime website**.

When you contact **TimeLaps Ltd**, **TimeLaps Ltd** has the right to request additional data necessary for the consideration of the relevant request. If you do not provide such data, the request may not be processed.

The fact that you have provided part of your data during your registration does not relieve you from the obligation to provide evidence of the data validity and the remaining data in the future (including, at **TimeLaps Ltd's** direct request).

6. Contacts

If you have any questions regarding this Policy or processing and use of your data in connection with the use of **mytime website**, you can contact us at: Arch. Makariou III 195, Neocleous House 1-5th floor, 3030 Limassol, Cyprus (attn.: TimeLaps Ltd.) or by e-mail: Eduard@mytc.io Your request must necessarily include the name and other information necessary for full and complete consideration of your request.
